

Dear Resident

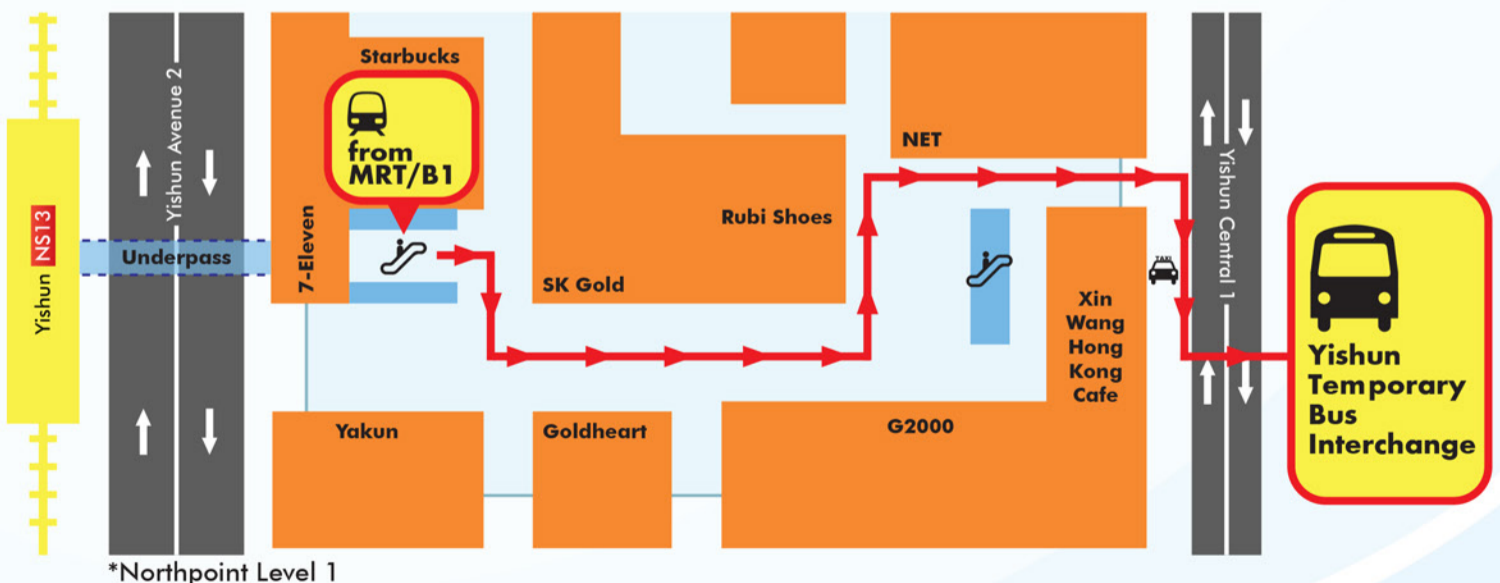

YISHUN TEMPORARY BUS INTERCHANGE

Change is coming to Yishun! From 14 March 2015, the Yishun temporary bus interchange (“TBI”) will operate while the new Integrated Transport Hub, to be opened by 2019, is being built at **Northpoint City**. Commuters can continue to enjoy direct access to Yishun MRT and the new Yishun TBI via Northpoint Shopping Centre between 5.30am and 1am.

Yishun TBI marks the start of transformation for Yishun with **Northpoint City** slated for completion in 2018. Residents can look forward to a faster and more seamless connectivity within and beyond Yishun.
